TOM SADGE as NEIL DIAMOND

Tom Sadge has been a full-time, professional entertainer his entire adult life. He began as a singer with bands and, later, became a popular mobile DJ / vocal impressionist.

His repertoire includes show stopping impersonations of *Neil Diamond*, *Tom Jones & Engelbert*. He also performs singing impressions of legendary singers such as *Frank Sinatra*, *Elvis Presley*, *Johnny Cash*, *Tony Bennett* and others.

Tom Sadge has met Neil Diamond and his band members on several occasions. Does Neil approve of Tom?

During a concert in State College PA, **Neil**, spotting Tom in the front row, leaned over the stage and, pointing the mic at Tom, told the crowd of many thousands, "*This guy sounds just like me!*"
